Re: Lakeshore East

Dear Ms. Magel:

Enclosed please find a revised CERCLA Section 122(h) Agreement for Recovery of Past Response Costs for the Lakeshore East Site and revised language to include in the amendment to the Master Condominium Declaration. As we discussed, these drafts have not been reviewed by U.S. EPA Headquarters yet. I have added Sheet 4 of the Completion Report as Exhibit C to the documents. You represented to me that Sheet 4 of the Completion Report accurately depicts the location of the former Boat Slips. I intend to recommend to Headquarters that Exhibits B and C to the 122(h) Agreement adequately describe the locations of the former Boat Slips that will be subject to institutional controls. Please review these documents and call me with any comments or questions. My telephone number is (312) 886-7166.

Sincerely,

Cathleen R. Martwick  
Associate Regional Counsel
